FIPA FUND RAISING UPDATE

We have made great progress towards the reimbursement of the French Notebooks and our school's FIPA Memberships.

However, our school is currently at only **73%** for our French Notebooks/Cahiers. Our goal is to reach 100% since this funds are used to buy next year's French Notebooks/Cahiers.

Regarding our FIPA Memberships, our school is currently at only **53%**. Memberships are an important income stream for all of FIPA Programs, such as:

- Teacher Assistant Program
- Ongoing Teacher Training

All Contributions are voluntary.

Please log on to our website below and consider joining our cause

Remember, as each class reaches 100% membership, they will be receiving a Croissant Party

The cost of these items and shipping expenses is **$30.00** per child and includes:

- 5 notebooks per child (plus refill)
- 5 colored notebooks covers
- Reading books
- Support materials for teachers

BIRTHDAY Books

GIVE THE GIFT OF READING

This year on your child's birthday, consider giving a book to Sunset Elementary Media Center in your child's honor. Maybe friends and family will do the same.

What a great way to encourage reading!

Here's how it works – If you would like to dedicate a book in the Media Center to a child, just fill out this form and return it to the PTA store or main office with **$15.00**. **(Checks should be made payable to Sunset Elementary PTA)** The Media Specialist will select an appropriate book to add to the library collection and then inscribe the child's name on the inside cover. The Media Specialist will notify the student of which book has been dedicated and of where it can be found in the Media Center.

Please indicate how you would like the child's name to appear inside the cover:

This book is dedicated to:
