RAINY DAY PLAN

August 22, 2016

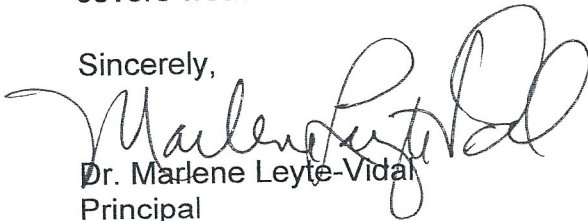

Dear Parents,

Specific plans should be made with your child so he/she will know exactly what to do in the event of inclement rainy weather at, or about, the time of dismissal. **Please do not call the school to leave messages to alter your original rainy day plans except in the event of an extreme emergency.** Otherwise, staff will adhere to your requests, as indicated below.

Please complete the form and have your child return it to his/her teacher. It will be kept on file at school. Your cooperation is greatly appreciated.

Please note, that in the event of extreme weather, to include, but not be limited to, lightening, tornados, severe heavy winds, etc., students will remain indoors until the severe weather subsides.

Sincerely,

Dr. Marlene Leyte-Vidal
Principal
