

Sunset Elementary

Free Mobile School Site APP

Sunset Elementary is delighted to announce that we now have our very own school "APP." BASIC Solutions Group developed this app with the entire Sunset Elementary family in mind. Having this new tool in the palm of your hands not only keeps all app users up to date with important school information but will also enhance the learning experience for our students. The new Sunset mobile app leverages the cutting edge technology of today to make life easier for students, parents, and teachers alike.

Below are just some of the features of our new app: Push Notifications; Current Event Calendar; Directory; Parent, Student & Teacher Resources; Portal Access & One touch email capability from the Directory.

To get your free APP, go to iTunes Store or Google Play, search for **Sunset Elementary**, download and enjoy. When downloading your APP be sure to click "Allow" for Push Notes and Current Locations in order to receive your messages. Please contact us at pr5401@dadeschools.net with any questions.
