

Dear Parents/Guardians,

United Way of Miami-Dade has been an innovative force in the community, responding to emerging needs and transforming people's lives.

As the Covid-19 pandemic continues to impact us, remember one thing: We are a city that stands together. Without you, United Way's work in the community would not be possible.

This is good opportunity to show our kids what caring for the community is all about. During this month we will have fun activities for the school to participate in, virtually and in-person to raise money for the United Way.

You can give in the following way:

- Make an online donation via:

<https://portal.unitedwaymiami.org/MDCPSDonations>

In order for the donation to be counted for Sunset Elementary, please include the following information on the form.

- School Name
- Teacher Name
- School Location Number: 5401

The Sunset family thanks you for making a pledge to help our community.

Your generosity is greatly appreciated!
