

SUNSET ELEMENTARY SCHOOL LUNCH PLAN PROTOCOLS AND INFORMATION 2022-2023

We kindly ask parents to assist us by talking with your children about proper manners and safety precautions during lunch time.

- Two areas will be used for lunch, the cafeteria and the gazebo courtyard. Both areas will have adult supervision.
- Cafeteria seating has been reduced from a capacity of 10 classes to no more than six classes at any given time. All cafeteria tables are limited to three students per table with all tables facing the same direction.
- There are tables set aside for students with severe food allergies.
- All outdoor tables are limited to four students per table.
- Tables will be sanitized in-between lunch blocks.
- Students may not trade lunch items under any circumstances.
- Hand sanitizers will be readily available as in other common areas.
- As with breakfast, school lunch is free of charge to all M-DCPS students.

We thank you for your cooperation and support with the lunch plan as we promote an enjoyable, but safe and orderly lunch time for our students.
