

SUNSET ELEMENTARY SCHOOL UNIFORM POLICY

All students are required to wear school uniforms at Sunset Elementary. A safe and disciplined learning environment is the first requirement of an effective school. Students who are safe and secure and learn basic values and the essentials of good citizenship, do better in school. School uniforms are a positive way to reduce discipline problems and improve school safety and security.

The potential benefits of school uniforms include:

- helping students concentrate on schoolwork;
- helping school officials recognize intruders;
- helping students resist peer pressure;
- increasing school safety by reducing incidents of bullying, theft, and violence; and
- building school spirit by creating a sense of teamwork.

Please note that as part of our uniform policy, school bookbags may not be rolling. Only backpacks are allowed in school as rolling bookbags are a safety hazard. If necessary, speak with your child's teachers to ensure the school bookbags are not too heavy and limited to only essential items.

All students are expected to wear the uniforms beginning the first day of the school year. Please refer to School Board Policy 5511 – Dress Code and School Uniforms for more information on the requirements.
